Coach Certification

This winter season Scotia Soccer Club achieved the "Gold Standard" in the coach certification initiative put forward by Soccer Nova Scotia. This means that of our entire coaching staff at Scotia Soccer Club more than 60% of coaches are appropriately certified.

Coaching Series

Soccer Nova Scotia is putting on several workshops for coaches to further their coaching education. There are several topics, some of which include; Discovery Games, Youth Coaching Approach and Affordable Video Analysis. Details and dates can be found on the SNS website.

U12 Identification Events

For the past two weekends, both our U12A girls and U12A boys participated in the first Identification event of the season. On the weekend of December 2nd and 3rd, the U12A girls made the long journey up to Cape Breton for their event hosted by Cape Breton region. While on the weekend of December 9th and 10th, the U12A boys traveled down to Bridgewater for their event hosted by the South Shore region. Both the girls and boys teams showed very well at the events where much creativity and skill were on display. Well done boys and girls!

Suburban Region Coach Education

On Monday, December 18th, the Suburban region hosted a coaches kick around for all coaches in the Suburban region! Technical leaders of the region were present to give an information session following the kick around on a regional coach education series that will be beginning January 4th, 2018. Soccer Nova Scotia Provincial Program

Some of our recently graduated SSC girls and boys were invited to try-out for the U13/U14 Soccer Nova Scotia Provincial Program. Of our graduated players, we have had 6 girls and 2 boys named to the U13/U14 Provincial Program which is a great showing from our SSC alumni! Congratulations to both players who were invited to try out and players who were selected. Players, parents and coaches should all be very proud of the players who were invited to tryout and thank you for representing your club so well!
