We will walk the route starting at the parking lot across from Inn on the Lake. Players will carry our banner, roll a giant soccer ball, and toss candies and stickers to the crowd. The parade will be on Nov. 26th beginning at 1pm (the storm date is Dec. 3rd). Have players arrive at approximately 12:30 - 12:45. Please confirm via email if your team will be participating so that we have an idea regarding numbers. Contact scotia soccer.marketing@gmail.com if you have any questions or to confirm attendance.

Summer Success

Scotia and SSC teams enjoyed a lot of success this past summer, but we wanted to highlight one specific group of players who came together as one team to achieve something great. The SSC U13A girls began the summer coming from two separate clubs, however, throughout the summer these girls became good friends and great teammates. Their effort on the pitch came to fruition at the end of the season with the girls winning becoming Champions Challenge winners and Provincial Champions! Congratulations to all teams on a successful summer and we look forward to a even more successful winter!
